# Distributor Margin Guide

Typical resale multiples achieved by distributors and clinics in each category. Use this to size your own margins - local pricing varies by country and channel.

| Category                               | Typical SKUs                       | Resale multiple | Comment                                                                  |
|----------------------------------------|------------------------------------|-----------------|--------------------------------------------------------------------------|
| Metabolic & Weight Management          | GLP-1 & metabolic peptides         | 4x - 10x        | High demand, highest regulatory exposure - sell only to licensed buyers. |
| Growth Hormone, IGF & Secretagogues    | HGH, CJC, Ipamorelin               | 2x - 6x         | Strong bodybuilding / TRT channel demand.                                |
| Cosmetic, Skin & Specialty Peptides    | GHK-Cu, Matrixyl, Snap-8           | 6x - 15x        | Cleanest category for customs & brand OEM. Best long-term margin.        |
| Repair, Recovery & Research Peptides   | BPC-157, TB-500, SS-31             | 4x - 8x         | Core reseller volume driver.                                             |
| Neuro, Longevity & Immune Peptides     | Semax, Epithalon, NAD+             | 4x - 12x        | Fast-growing wellness / longevity clinics.                               |
| Aesthetic & Wellness Injectable Blends | Lipo-C, Lemon Bottle, Glutathione  | 8x - 20x        | Med spa / IV therapy market. Very high repeat rate.                      |
| Diluents & Supplies                    | Bacteriostatic water, acetic water | 3x - 6x         | Attach-rate item - bundle with every peptide order.                      |

## OEM / Label Customization

**What we offer:** custom label printing - your brand name, logo and artwork applied to vial labels and kit boxes. Standard formulations and standard strengths only; we do not offer custom formulations or custom strengths.

**Minimum order:** no minimum order quantity for standard products. Label customization is quoted per project.

**Lead time:** 10-15 working days after artwork approval.

**Pricing:** label customization is quoted separately from the product price - ask your account manager for a project quote.

## Compliance & Disclaimer

All prices are quoted in Australian dollars (AUD), converted from USD at 1 USD = 1.43 AUD (rate of 10 Oct 2026).

COMPLIANCE NOTICE: All products listed are supplied for laboratory research, cosmetic formulation or licensed professional use only. They are NOT for human or veterinary use, injection, or diagnostic purposes unless the buyer holds the required licences in the destination country. It is the buyer's sole responsibility to verify that import, possession, resale and use of any product complies with all applicable laws and regulations. The seller assumes no liability for misuse. Products under patent or prescription status in the destination market are supplied only where permitted by law. Specifications and prices are subject to change without notice.
